BASAL OIL

KEEP OUT OF REACH OF CHILDREN
CAUTION

GENERAL INFORMATION

ARBORCHEM BASAL OIL is a unique, patented blend of natural and synthetic chemicals, specially formulated as a diluent oil for Low and Ultra Low Volume basal spray applications.

DIRECTIONS FOR USE

The following is a general recommended use procedure. Other ratios and procedures may be more effective for special situations. Consult the herbicide manufacturers and ARBORCHEM Products Co., for Details.

Blend the herbicide(s) with ARBORCHEM BASAL OIL at a 1:4 (20%) or 1:3 (25%) ratio. Normal mixing is required. Stir until a clear solution is obtained, no further agitation is needed. DO NOT exceed the herbicide label rate per acre.

Example: To make a 1:4 ratio, or 20% herbicide mixture, add 1 part herbicide(s) to 4 parts ARBORCHEM BASAL OIL. Spray at 5-10 gallons per acre using the ARBORCHEM Spray Wand. Treat thoroughly to the lower 18" around the entire stem. Treat the root collar area and any exposed roots. Do not spray to run down or puddle.

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid contact with eyes, skin and clothing. Avoid breathing spray mist. If sprayed in eyes, flush thoroughly with water and get medical attention.

PHYSICAL HAZARD

Combustible. Do not use near fire, sparks or open flame.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Destroy empty container so that it cannot be used again for any purpose.

LIMITED WARRANTY AND DISCLAIMER

Arborchem warrants that the product is suited to the purposes described when used according to directions. The use of this product being beyond the control of the manufacturer and distributor, no guarantee, expressed or implied, is made as to the effects or results to be obtained if not used in accordance with directions or established safe practices. Buyer accepts all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
